Roosevelt Ranch May 05 2020 Disaster at Roosevelt Ranch I slept with the wrong twin. And all I got for it in return was a broken heart. Oh yeah, and a baby on the way—there was that, too. But I 'm determined to make it on my own. I don 't need a man, thank you very much. Not rich, charismatic, and decidedly flighty Rex Roosevelt, and especially not his twin brother, Justin. The trouble was, Justin refused to leave me be. And deep down, I don 't want to avoid him. Deep down, I want to be even closer. Heartbreak at Roosevelt Ranch I had it all. Two beautiful children. A gainfully employed husband. A successful food blog. The only thing missing from my life was...heat. And I wanted to live. To live loudly and without fear. But something was happening with Rob. Had he fallen out of love with me? Had he found someone else? Was I not—Sigh. Was I not enough? Collision at Roosevelt Ranch It began with a collision. Not in the sense of souls colliding or even stars aligning, but in a real-life, totally her fault, bumpers-crunching, frames-bending, airbags-deploying crash. Haley. Oh Haley. Why was she such a mess? Regret at Roosevelt Ranch Henry Miller was nobody. He used to be an up-and-coming chef in New York City, training under one of the most famous celebrity chefs in the world, with a gorgeous fiancé at his side. But that had been five years before. Then his ex, Isabella, showed up in town with a new fiancé in tow. Then he found out why she had left. And...it changed everything. Desire at Roosevelt Ranch Rex Roosevelt doesn 't believe in love. He believes in women, in sex, and in avoiding any and all types of responsibility. He also definitely doesn 't believe in playing the white knight by rescuing women...but he 'd saved Tilly. She 'd needed rescuing and even though Rex didn 't know the first damned thing about being a white knight, he 'd helped her. And then? Well, she made him feel something he 'd never thought his cold, dead heart would ever feel again. Love. Christmas at Roosevelt Ranch Ah. Christmas. The most miserable time of the year. Elizabeth hated it. She had too much work to do to stop and hang lights or wrap presents or waste time beneath the mistletoe. Or maybe she hated it—and especially the mistletoe—because she didn 't have anyone to kiss. Yeah, maybe that, too. But she was derailed by a flat tire, a broken doorknob, and...an extremely handsome mechanic. And perhaps the best laid plans were made to be broken, especially when this Christmas might prove to warm even her Scroogey heart.

Bared to You Jun 17 2021 From #1 New York Times bestselling author Sylvia Day comes the first novel in the Crossfire series—a provocative masterstroke of abandon and obsession that redefined the meaning of desire, and became a global phenomenon. Gideon Cross came into my life like lightning in the darkness... He was beautiful and brilliant, jagged and white-hot. I was drawn to him as I'd never been to anything or anyone in my life. I craved his touch like a drug, even knowing it would weaken me. I was flawed and damaged, and he opened those cracks in me so easily... Gideon knew. He had demons of his own. And we would become the mirrors that reflected each other's most private wounds...and desires. The bonds of his love transformed me, even as I prayed that the torment of our pasts didn't tear us apart...

As simple as A, B, C, D, it starts with building a solid foundation: Attitude: belief in yourself, your organization, and the buyer Behavior: effective habits toward yourself, your organization, and the buyer Competencies: a step-by-step systematic approach to engaging and empowering buyers to buy, if they are qualified Disciplines: practices that need to be maintained for continuous success The goal of the book is to help increase your bottom line while shortening your sales cycle, and put you in control of the sales process while building and maintaining relationships that will become your secondary sales force.

The Apocalypse of Elena Mendoza Jan 01 2020 A Junior Library Guild Selection "Surreal, brainy, and totally captivating." —Booklist (starred review) "Provocative and moving." —Publishers Weekly (starred review) "Hutchinson artfully blends the realistic and the surreal." —School Library Journal (starred review) From the critically acclaimed author of We Are the Ants and At the Edge of the Universe comes a mind-bending, riveting novel about a teen who was born to a virgin mother and realizes she has the power to heal—but that power comes at a huge cost. Sixteen-year-old Elena Mendoza is the product of a virgin birth. This can be scientifically explained (it's called parthenogenesis), but what can't be explained is how Elena is able to heal Freddie, the girl she's had a crush on for years, from a gunshot wound in a Starbucks parking lot. Or why the boy who shot Freddie, David Combs, disappeared from the same parking lot minutes later after getting sucked up into the clouds. Other things that can't be explained are the talking girl on the front of a tampon box, or the reasons that David Combs shot Freddie in the first place. As more unbelievable things occur, and Elena continues to perform miracles, the only remaining explanation is the least logical of all—that the world is actually coming to an end, and Elena is possibly the only one who can do something about it.

When Billie wakes up in a strange guy's bed, her first thought is: what happened last night? She can't even remember meeting him. And how the hell did she get to Coney Island? Then reality bites and the memories flood in—the reason she was in that bar, drinking to start with: today she's going to get fired. Because yesterday her law firm lost a big case: Samuel Grange v Jane Delaney. And it looked like it was her fault. It wasn't. Yet now Samuel Grange is free to drive off into the sunset in his stupid Porsche and do it all again to another woman. And all Billie can think is: What about the next girl? And the one after that? But there is nothing she can do to stop him. Unless... She could expose the truth about him on her own. Then everyone would see what he was really like. And he wouldn't be able to do it again. The problem is, the only way to protect the next girl is to become the next girl. And, well, that could be a little risky... even deadly. Praise for The Next Girl 'Original. Breathtaking. Dangerous. The Viper (A Broken Ridge Novel) Feb 23 2022 "Revenge is an act of passion, vengeance is an act of justice." — Samuel Johnson A brash DEA agent and a ruthless private detective collide in this seductive small-town tale of revenge, murder, and the unbreakable bond between sisters. They say revenge is a dish best served cold. Apparently, they haven't met the Archer sisters. Owner of Archer and Archer, Inc., a prestigious New York private investigative firm, Colette Archer embodies effortless perfection in her couture suits and trademark chignon. But this private investigator has a secret. When night falls, Colette slips on her wig and into the persona of a tequila-guzzling hustler who occasionally fancies two men instead of one. This double life comes as an unwelcome side effect of a horrific past that she and her sister, Jade, a bohemian martial-arts-instructing renegade, decide to settle once and for all—regardless of who they must destroy in the process. Obstinate DEA agent James Black is one mistake away from spending his career crunching numbers in the confinement of his six-by-six cubicle. In a last-ditch effort to save his floundering career, James seeks the assistance of ice queen Colette Archer. Despite the spark of heat between them, she seems to despise him almost as much as poly-blend fabrics. After following Colette and her sister to a sleepy small town in Montana, James learns of a devious and dangerous pact the sisters have made to avenge their past. Using Colette's weakness to his advantage, James tricks her into helping him uncover the whereabouts of a ruthless drug lord. But when Colette is brutally attacked, James realizes he has inadvertently set wheels in motion that might not only cost him his job, but also the woman who's stolen his heart. Due to serious subject matter and mature content, please be aware that this book might be an emotional trigger for some readers.
